

Product Notification – February 11, 2015

Geist is pleased to announce that effective February 16, 2015 all Environmental Monitoring Units will be rebranded under one cohesive brand. The chart below outlines the current and new product names with their corresponding part numbers. The device firmware will be updated to reflect the new product names. The new firmware will be present on any products shipped after February 16th and all future firmware updates for the device will reflect this change.
