

## Overview

Environmental factors like heat, humidity and moisture pose a severe threat to mission-critical infrastructure. These dangers can be minimized by incorporating a network of environmental sensors to collect data and alert users of potential threats. Adding optional sensors to a Vertiv™ Geist™ Environmental Monitor or Rack Power Distribution Unit (rPDU) allows users to observe conditions from a secure Web interface and receive alerts via Email, SNMP, or Email-to-SMS.

### Benefits

- View real time sensor data from a secure web interface.
- Receive alerts when a threshold is breached to ensure out-of-range conditions are addressed before resulting in downtime.
- Strategically monitor data center, server room and network closet environments to protect critical infrastructure.
- Simple installation and configuration on Vertiv Geist Environmental Monitors and rPDUs.

## SD2

Low voltage analog Photoelectric Smoke Detector used to detect the presence of smoke.

**Part Number:** SD2

**Category:** Accessories

**Sub-Category:** External Sensor

### Specifications and Operations

Remote Sensor Type	Photoelectric Smoke Detector
Activity LED	1
Idle LED	1
Connection Interface	Analog (NO)
Power Supply Compatible with AC 100-240V, 50/60Hz; Output: DC 6V, 2A	North America (NEMA 5-15P)
Frequency	50/60Hz
Product Warranty	5-year limited warranty if registered within 120 days of purchase, otherwise warranty defaults to 3 years
Certification/ Agency Approvals	RoHS Compliant
